YOU
DIRTY BEACH!

I would like to tell the readers about one day last summer on a beach near to where we live. My wife and I are in our forties, though you'll agree Alice looks ten years younger.

I have always been a bit of a dirty sod, buying Razzle, enjoying looking at neighbours sunbathing topless and stuff, but Alice has always been a bit shy.

You couldn't exactly call her a prude, but she definitely wasn't on the same pervy wavelength as me.

It came as quite a surprise, then, when I finally persuaded her to go to a beach that is unofficially naturist about eighteen miles up the coast from us.

We took a packed lunch and lots of drink, hoping to find a nice secluded spot in the dunes.

You never know, I thought, I might even be able to indulge in one of my fantasies, outdoor sex. We found a hollow in the dunes and settled down to sunbathe.

We ate our lunch and I tried to touch Alice's tits and pussy, but she wouldn't have any of it. She thought someone might catch us.

To be fair, there was the occasional bloke passing, probably interested in Alice's large tits and shaven cunt with its large inner labia.

Disappointed, but enjoying the sun, I was half asleep when Alice said she was going for a pee. She got up and said she was going to find somewhere private.

She finally came back twenty minutes later and flopped down beside me, lying on her stomach. I asked her where she had been for so long.

She replied that she hadn't been able to find anywhere suitable and, not wanting to be seen by anyone, had had to wait for the right moment. I though no more of it and we dozed in the sun.

A little later she announced she was going again. I knew we had drunk a fair bit of water, but not that much! My curiosity was aroused.

She took some tissue paper and I let her get a little ahead before following. Alice walked through the dunes for about forty yards and crouched down.

I could immediately see at least four naked men wandering about, obviously interested in the sight of an attractive nude woman.

They positioned themselves at various angles about ten to fifteen feet away from her. For her part, Alice seemed not to notice them.

I was about to go to her and warn her but something made me stay where I was.

After all, she was safe enough with me being there.

She squatted down and proceeded to pee into the sand in front of her. The men could all see exactly what she was doing, and one was actually stroking an impressive erection.

She stayed squatting down, but then opened her legs widely and made a great show of wiping her wet fanny with a tissue.

All four men were now openly wanking, but Alice appeared to be oblivious. She buried the tissue in the sand but kept her legs open.

She started to rub her middle finger up and down her wet slit. She must have known she was being watched and on.

She moved her finger in circular movements over her clitoris and started to moan softly, gently bucking her hips backwards and forwards.

Two of the men had actually approached to within three feet of Alice but she still gave no sign of knowing they were there. To be honest, I was wanking my own prick for all it was worth.

I don't think there were many seconds interval between all six of us cumming! Alice then smiled up at the men, watching the different loads of spunk spraying out of their cocks. wanked over, but unashamedly she carried She shuddered to her own climax, her fingers a blur.

I nipped quickly back to our towels and lay down. When Alice sat down, I asked her if she'd been able to find anywhere suitable.

She said it had been difficult to find anywhere private. I lay there and smiled to myself, thinking about how I would broach the subject later with my formerly shy wife.

I was also thinking about all the fun we were going to have on the beach in future!

HOLLY

Holy Holly! Holly is usually a brunette, but she's gone with a blonde bob this time around, not that we pay much attention to the hair on her head, we're more interested in the little patch of hair on her twat! "I thought it would be nice to have a little bit of hair down there, but not too much. And I brought my favourite vibrator along too. It's the perfect size, 6 inches, just how I like my cocks!" TRUE CONF

SEND YOUR CONFESSIONS TO RAZZLE MAGAZINE AT:
CONTACT@PAULRAYMONDMEDIA.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Have you ever had group sex?

I'm an open-minded girl with very few inhibitions, and I have no qualms or hang-ups about casual sex. When I'm going out with someone, I am totally faithful.

When I'm single, though, it's a different matter – I like fucking, and so I fuck. And if I get an offer that turns me on, like the offer of a foursome I had recently, I always go for it!

My friend Jenny and her boyfriend Mark were going out for a meal to celebrate being together for three years. They asked me to go with them, plus another friend of ours called Jamie. We went to a Chinese restaurant and had a slap-up feast, plus plenty of wine and beer.

During the meal, we talked about some of the times Jenny and Mark had been through together. As we got gradually more pissed, they made a few confessions which surprised me. Jenny admitted she was bi-curious and had had a lesbian experience before. Mark enlightened us further – they'd had a threesome with an Italian girl while on holiday about a year before.

Jenny admitted she'd loved it and confessed she wouldn't mind doing it again.

Then we took turns going round the table and talking about our best shags and our fantasies. I told them all about my first fanny-noshing experience, maintaining eye contact with Jenny all through my tale.

Then Jamie told us how he fantasised about having a three or foursome.

Suddenly the air was thick with randy thoughts and possibilities. We were all friends and most of us had fancied or snogged one another at one point or another. We could all see the potential for a fucking horny event, but nobody was brave enough to say anything. There was a silence for a while, until Jenny suggested we go back to their flat for some more drinks. After that, we all pretty much knew what was going to happen.

When we got there, Mark went into the kitchen to fix some drinks and Jenny and I sat either side of Jamie on the couch. I noticed Jamie had a big bulge in his pants, so I moved my hand across to fondle it.

Simultaneously, Jenny did the same. Then she unzipped his jeans and pulled out his stiffening cock. She leaned over him and took it in her mouth.

When I looked up, I saw that Mark was standing and watching his girlfriend give Jamie head. He had his cock out and was slowly tugging himself off. I slid off the sofa and kneeled in front of Jamie. I pulled his jeans and boxer shorts off while Jenny worked her tongue over his cock and balls.

Then I joined in with Jenny, helping her suck Jamie's cock. Out of the corner of my eye I noticed Mark moving behind me. As I slurped Jamie's cock and kissed Jenny,

Mark lifted my skirt up from behind. He removed my soaking thong and started to probe my slit with his tongue. I ground up against him, encouraging him to get his tongue right up my cunt.

Then Jenny got off the sofa and undressed herself while I took Jamie's hard pole deep into my throat. When she was naked, Jenny straddled Jamie on the sofa.

She stuck her arse out and turned to me, saying, "I want to ride Jamie – will you make my cunt wet for me?"

I enthusiastically buried my head in her pussy, licking inside her slit and bringing my hand up to rub her clit. As I licked Jenny out from behind, her boyfriend was doing the same to me and I was close to cumming. I then took two fingers, slid them inside Jenny's pussy and started frigging her off. Jamie was desperate for Jenny to lower herself onto his cock and he sucked and nibbled her nipples in anticipation.

FESSIONS

Mark's tongue brought me to orgasm just as Jenny was easing herself onto Jamie's hard cock right in front of me.

Then Mark stopped licking my cunt and moments later I felt his bell-end nudging against my ringpiece. I slowly backed onto his cock, my arsehole relaxing to allow his hole relaxing to allow his dick inside me.

When Mark had his cock up my arse almost up to his balls, he began to gently rock his hips. He was fucking my cunt with three fingers too. In front of me, Jenny was bouncing up and down on Jamie's cock like mad. I pulled her cheeks open and got my face right in the action, licking her cunt and arsehole as Jamie fucked her.

After about 10 minutes of seriously hardcore fucking, Jamie said he was going to cum. Jenny jumped off him and joined me down by his cock, our tongues out to receive his creamy load. Then I felt Mark unplug his cock from my arse and add it to the fray.

Both the blokes wanked themselves off over mine and Jenny's faces. Jamie was the first to cum, and Jenny took most of his spunk in his mouth and over her face. I caught a bit, but made sure I took most of Mark's cum when he shot his load. Jenny and me ended up with a mixture of spunk all over our faces, and we licked it off each other.

That was the beginning of a night or raw shagging during which Jenny and I got fucked bandy by Mark and Jamie – and each other.

Have you ever had sex with a girl?

My My best friend Nicola and me quite often get it together, especially if there are some men to perform for. One time we got really dirty in a nightclub with a load of blokes crowding round watching.

We were dirty dancing with each other, really grinding our pussies together and running our hands all over each other. We always do this because men fucking love it. We had quite a few blokes watching us from the sides and some trying to dance with us and muscle in on the action.

All the pussy rubbing was turning me and Nicola on. I pulled her close to me and kissed her passionately and she gave me a hot response. Her hand slid up my skirt from behind and rubbed my moist mound. In return I caressed her tits, pinching her nipples through her tight top.

The blokes who were dancing around us were boggle-eyed at what they were seeing. I took Nicola by the hand and led her to a red leather sofa in a dark corner.

I glanced round to check the blokes were following, which they were a little way behind. I whispered in Nicola's ear that we should put on a show for them. She was well up for it as usual, the little minx.

I sat her down on the sofa and straddled her, my skirt riding up my thighs so my knickers clinging to my hot wet cunt were visible from behind. As I kissed Nicola, her hand slid round underneath my backside and stroked my pussy through my knickers.

She yanked my flimsy G to one side so my sparkling bald cunt could be seen by the dozen or so blokes forming a semicircle around the sofa.

Then Nicola slipped two digits inside my pussy and started fingering me. I threw my head back in delight and she buried her face in my cleavage. She pulled my skirt right up around my waist so everything was in view. Then the dirty bitch pulled a juicy finger out of my cunt and slid it up my arse.

We were putting on a good show and the blokes were all egging us on, calling us a couple of dirty bitches and shouting out filthy things to do.

I slid down off Nicola onto the floor in front of her. She pulled her ankles up around her ears and I whipped her knickers up her thighs. She was there on this leather sofa with her legs in the air and her slick quim on show for all to see.

I turned around, playing to the crowd, and gave them a filthy grin. I saw that there were a couple of bouncers there now. But rather than bollocking us and chucking us out, they were having a good look and keeping the crowd in order.

Turning Nicola slightly to the side so they could all see, I started licking her out.

Nicola was really enjoying herself, moaning like crazy and urging me on. I flicked her clit and sucked her sticky lips. Then I slid two fingers inside her and fingered her while I sucked her clit. It wasn't long before she was cumming, to cheers from the crowd.

To finish the show I drank a mouthful of cum from Nicola's pussy and we had a sloppy kiss, exchanging her juices in front of everyone. We got a wicked cheer and round of applause when we'd finished and we had blokes buying us drinks all night.

We had the pick of the guys to choose from, so we took home two each. I reckon the best way to a bloke's heart is through another girl's cunt!

cum and I had a dripping cuntful too.

IMOGEN

Some guys like the chubby girls and some guys like great big breasts, and if you like both of those together, we're more than happy to introduce you to Imogen! "You've not had a great titty wank until I've given you one, and then I'm going to introduce you to my tight pussy, you'd think I was a tight 18-year-old virgin once you get inside me. I'm going to squeeze that cock of yours and milk your balls dry." Once you go 'Imogen'

Vayla loves to get all slippery and slidey, and she doesn't need water and bubbles to get her slit all juicy! "Fucking in the bath is always fun but I'm more than happy to do it anywhere in the house, I'll even take it out to the garden if the weather is nice, although you can't beat a good fuck in the middle of a rain storm!"

Ingrid is one of those Mums you'd love to fuck! "I get it all the time from the Dads that drop their kids off at school. They think I'm the family nanny, and they can't believe it when I tell them that I'm actually a school Mum. Of course, I always invite them back to mine for a 'coffee', which usually ends up with a hard fuck on the kitchen worktop! What can I say, I'm getting a bit of a reputation!"

We like them filthy here at Razzle Magazine and Jazzie certainly fits the bill, so much so that her friends (especially the boys) call her Jizzie, because she loves taking a face-full of the stuff! "I love the taste of cum and the feeling of it splattered all over my face and boobs. The only thing better is having a full pussy load of it inside me!"

CENTRAL CREATIVE!

I was at home from work because we had a problem with our central heating and I would have to wait in until the heating engineer came to fix it.

I was about to get started on my clit when the doorbell rang. I opened the door to find the heating engineer, a good-looking geezer of about 35.

I showed him in and he told me his name was Ken. I noticed he couldn't keep his eyes off me and then I realised he could see my dressing gown.

I moved it to one side so he could see the tops of my legs and my cunt. He started to look at the boiler in the kitchen to see if he could find the problem while still giving me the eye.

I said I'd run a bath to check if there was a problem. As soon as I got into the bathroom I started to run the bath and stripped off.

I bent over the toilet and then called Ken to tell him I had a problem. He opened the bathroom door and I told him the problem was my cunt was not wet enough and would need urgent attention.

He got straight on his knees and I felt his tongue probe between my cunt-lips as he tongued my clit. His magic slurping tongue had me cumming in minutes.

I turned round to face him and tugged his jeans to release his erect cock. I started to lick his bell-end before I took his cock deep in my mouth.

Within seconds of me doing this I felt his cock twitch and the full force of his sack hit the back of my throat. I swallowed his jism eagerly.

He got hard almost straight away. He flipped me round and, bending me over the bath, fucked me hard while fingering my arse. This gave me my second climax.

When my husband came home he had to settle for seconds, but I wasn't complaining!

IF YOU SEE SID!

I'm not usually the type who tries to pull every time they go out. I like having a good time but that doesn't mean I have to get fucked to make the night complete.

On the other hand, if I do find someone that I really fancy who doesn't turn out to be a total goon I'm not averse to getting hold of a cock when I can.

About a month ago I went out on the town with my mates. I hadn't had a decent screw since Christmas so my minge was crying out for some action.

We started at a couple of popular bars. It was a Friday night so it was nice and busy, giving me more blokes to choose from. The drink was going down nicely and I was having a good girly gossip with my friends. I have to say I was a bit disappointed with the standard of blokes, though.

The club was packed and we were already pissed so we went straight to the dancefloor. As I danced in I noticed a bloke dancing near me.

You couldn't say he was good-looking, but what I did notice was that he had a definite bulge in his pants. At that point my cunt ruled over my brain, so I went to speak to him. I introduced myself and found out his name was Sid. Without further ado we were snogging and I surprised myself by asking him to come back to my flat. I'd had a quick rub of his balls while we snogged and I was sure there was something down there worth seeing. And probably worth sucking.

By the time we got through my front door I already had his flies undone and my bra was still in the taxi. We were both desperate to fuck.

I bundled him into the front room and we crashed onto the sofa. Then I made him stand up while I pulled his jeans off.

As I forced them down over his thighs I could see the outline of a great big todger. I yanked his jeans off and I trembled in anticipation as I was about to pull his boxers down.

I wasn't disappointed. As his boxers came down the most enormous schlong sprung up and whacked me on the chin. Well what else could I do? I took a firm hold of the thick shaft and took the shiny helmet into my mouth. I licked the rim of his helmet with the tip of my tongue.

He moaned with pleasure as I attempted to deep-throat him. I'm usually good at that, but his cock was so big and fat that I couldn't even get halfway.

I didn't want him to cum before I'd felt his cock up me so I dragged him down on top of me. I hitched my skirt up and at the same time Sid pulled my sodden pants down.

My gash was juicy as a watermelon, which definitely helped as he nudged his monster helmet against my lips.

At first it hurt as his bell-end suddenly popped inside me. Then, as he slowly worked his pole in the pain gave way to the most amazing pleasure.

After about a minute of slow penetration he was up to his nuts in my quim. I felt incredibly full of cock.

He slowly pulled out again and began to pump his mega-dick in and out of my slippery pussy. He didn't last long, but it was long enough for me to cum.

When he did pull out and shoot, he came like a waterfall. I've never seen so much spunk! Sid is now my boyfriend, and I'm a very happy girl.

FILM PHWOO

THE XXX MOVIES THAT SHOOT OUT INTO YOUR FRONT ROOM

Fuck-tastic

TV REPORTER

- PRIVATE

Starring: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson.

Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across – are Private going to launch a series of titles that are just job descriptions, I wonder? Shoe Shop Assistant? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British sploshers, with Sienna Day as the eponymous reporter (umm, she's really a presenter) who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job!
